

STAY HOME ▶ PROTECT THE NHS ▶ SAVE LIVES

Dear Parents,

We are just over halfway through the first half term and my sympathies and admiration for you as parents grows each week. There have been some amazing activities posted on Dojo and many more families engaging in remote learning than in the previous lockdown. Please do keep in touch with the staff through dojo messaging about learning and the office for any other queries. They are particularly pleased when you are positive about how things are going!

Class Dojo

Zoom lessons and catch ups are in full swing from nursery to Yr6 and I hope families are increasingly able to log on and value the experience. All Class teachers have been reminding their children of the standards of behaviour and zoom management that they expect. The vast majority of children have been brilliant but Mrs Mitchell and I won't hesitate to contact parents of children whose behaviour slips. It is difficult I know, but Zoom sessions are no different to the classroom.

Mr Brading

Below are some photos of zoom sessions that took place last week involving book recommendations and a book club!
