

## PE Parent Overview

### Year 1

#### **Fundamental Movements - Invasion Games: Football – Agility, Balance, Co-ordination (ABC's)**

In Year 1, children will be looking to develop the fundamental movement skills used and need in football. Each session will look at a range of football activities that will target areas of football such as teamwork, dribbling, close control, passing, goal scoring, running, jumping, throwing, and catching. Focusing on enhancing a basic knowledge and understanding of certain rules will also allow each child to perform an action/skill repeatedly.

### Year 2

#### **Fundamental Movement – Invasion Games: Football – Agility, Balance, Co-ordination (ABC's)**

In Year 2, children will be looking to develop the fundamental movement skills used and need in football. Each session will look at a range of football activities that will target areas of football such as teamwork, dribbling, close control, passing, goal scoring, running, jumping, throwing, and catching. Focusing on enhancing a basic knowledge and understanding of certain rules will also allow each child to perform an action/skill repeatedly.

### Year 3

#### **Invasion Games: Football**

This term, Year 3 will be doing Football. Key points for each lesson are to develop their passing, dribbling, close control, and the various techniques of shooting. This will help enhance their ability to apply teamwork skills and in 3v3/4v4 combination play. Within a match situation, they will work to gain an understanding of tactical awareness and different types of communication skills.

### Year 4

#### **Invasion Games: Football**

This term, Year 4 will be doing Football. Key points for each lesson are to develop their passing, dribbling, close control, and the various techniques of shooting. This will help enhance their ability to apply teamwork skills and in 3v3/4v4 combination play. Within a match situation, they will work to gain an understanding of tactical awareness and different types of communication skills.

### Year 5

#### **Invasion Games: Football**

This term, Year 5 will be doing Football. Key points for each lesson are to develop their passing, dribbling, close control, and the various techniques of shooting. This will help enhance their ability to apply teamwork skills and in 3v3/4v4/5v5/combo play. Within a match situation, they will work to gain an understanding of tactical awareness, communication skills and both attacking and defending principals.

## Year 6

### **Invasion Games: Football**

This term, Year 6 will be doing Football. Key points for each lesson are to develop their passing, dribbling, close control, and the various techniques of shooting. This will help enhance their ability to apply teamwork skills and in 5v5/6v6/7v7 combination play. Within a match situation, they will work to gain an understanding of tactical awareness, communication skills and both attacking and defending principals. Self and peer reflection will also play an important part of assessment as this type of feedback will allow each student to understand how to learn, develop and succeed with each session.
