<ul style="list-style-type: none"> • Live caterpillars and butterflies in class. • Drawing maps of our local area and garden. • Looking at where we live – the city environment. • Learning about what is grown or produced on a farm. 	<ul style="list-style-type: none"> • PE day is changing to Monday every week. • Begin PE lessons with Chelsea Coach who will teach and consolidate running, ball and game skills. 	<ul style="list-style-type: none"> • Designing, planning and building models with recyclable materials. • Technical drawings of butterflies. • Variety of art and craft experiences with an animal/minibeast theme. 	
 		 	

Dear Parents/Carers,

Welcome back to school and we hope you have had a lovely break with your families. We are all looking forward to a fun filled term of learning. This term we welcome back Miss Samsiga to Reception, who is returning from maternity leave and trust she and the children will enjoy getting to know each other.

As the weather is quite changeable during this summer term please ensure ALL of your children's clothes and belongings are labelled with their name. We spend time encouraging independence during routines and taking off and putting on jumpers and coats etc is made very difficult when items do not have a name on them. The loss of these items can be stressful and costly so I appeal to you all to LABEL, LABEL, LABEL!

An additional request is for all your recyclable boxes and packaging. We use these to build models and props for our learning and play. It encourages critical thinking and application of knowledge about media and materials. Please bring in all your washed recyclables and the children can add these to our collection in the classroom.

Kind regards

Miss McDougall and the Early Years Team.
