Dear Parents/Carers,

Welcome back to school and we hope you have had a lovely half term and enjoyed some Platinum Jubilee activities around the city with your families. We are all looking forward to a fun filled term of learning.

This term we will be holding our **Early Years and Key Stage 1 Sports Day on 8<sup>th</sup> July**, so put the date in your diaries and look out for further information in the coming weeks. We will also be holding a fundraising event that I hope you will all support. The money will go towards sports day resources and fun treats for the day. More specific information about this will be sent out soon.

I'd like to repeat my request from last term to please LABEL ALL OF YOUR CHILD'S CLOTHING AND SCHOOL ITEMS. The staff and myself work very hard to support, care and educate the Early Years children at St Mary's. The added stress of having lost uniform items can make this very difficult. I ask for your support with this.

An additional request is for all your recyclable boxes and packaging. We use these to build models and props for our learning and play. It encourages critical thinking and application of knowledge about media and materials. Please bring in all your washed recyclables and the children can add these to our collection in the classroom.

Kind regards

Miss McDougall and the Early Years Team.
