

# The Punctuation Poster

- **Tickled pink** = the punctuation children should already know from a previous year group.
- **Green for growth** = new punctuation for that year group
- **Pink & green** = a punctuation mark which has been taught in a previous year group, but is re-introduced in a different context.

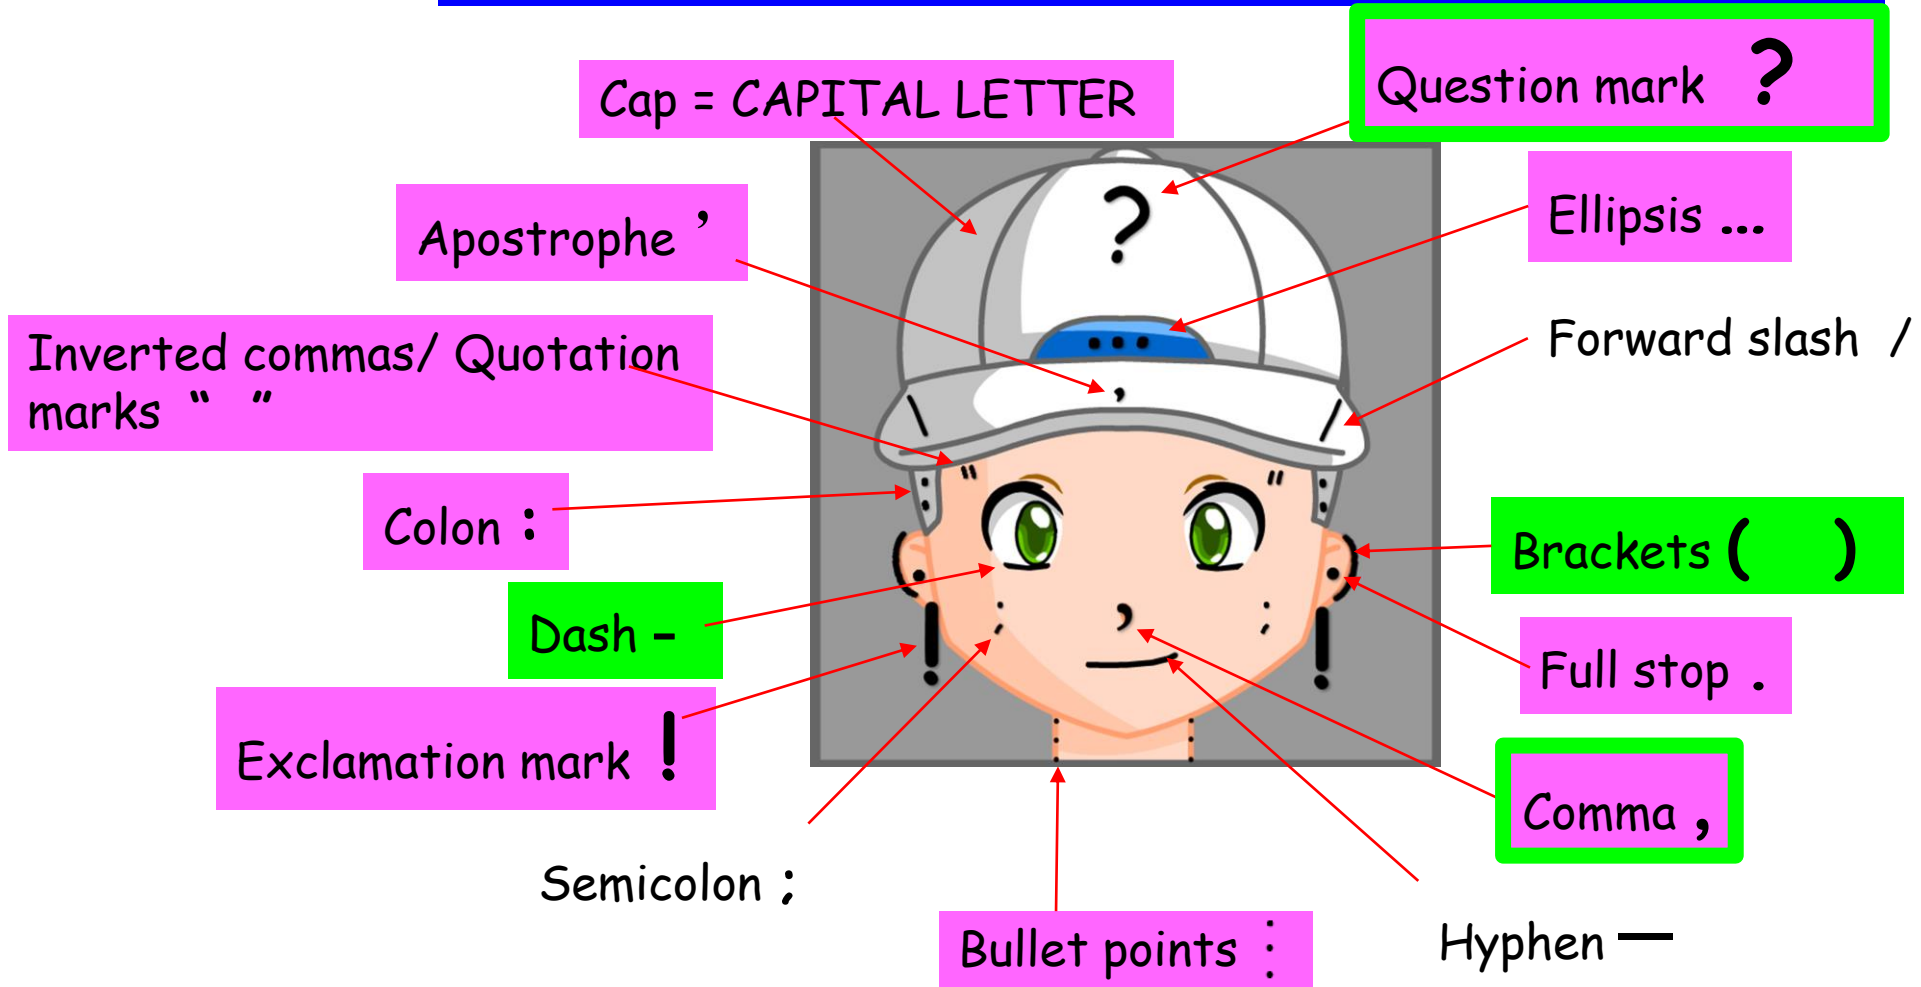

Eg, In Year 2, commas are introduced to separate items in a list and after a fronted adverbial, but later on in Year 4, commas are re-introduced to mark clauses.
