@StMarys_SW8

Dear parents and carers,

This week we were fortunate to welcome the team from Junior Park Run. We have always embraced running here at St Mary's and in the past two years have successfully run at both the 'London Mini Marathon' on the Mall and also at the 'RunBattersaRun' event in Battersea Park.

We are excited to encourage families to join us for the upcoming Junior Park Run event at Battersea Park! Our Year 4, 5, and 6 pupils have been learning all about the importance of keeping fit, and they have been training diligently for this occasion. Mark your calendars for **Sunday, 10th November, at 9 am**. All pupils aged 4 and upwards are invited to meet us there, along with their families, to participate in this fun and healthy event together! Let's make it a fantastic day of community and fitness!

Photos are from the Junior Park Run assembly and a cross country event we took part in this week at Tooting Bec Common-the running practice has already started!

Our Mission Statement

'A man took a grain of mustard seed and sowed it in his field. Indeed the seed is smaller than all other seeds but when it is grown, it is greater than the herbs, and becomes a tree, so that the birds of the air come and lodge in its branches'

Matthew 13.31

INSET DAY!

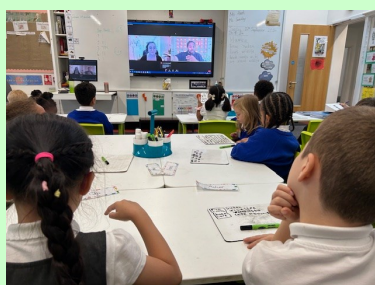

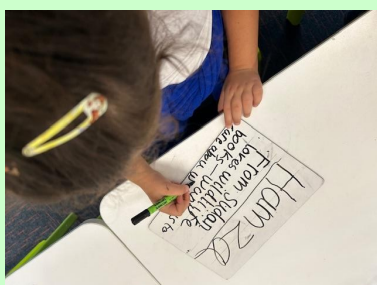

School will be **closed** on **Monday 7th October** for an INSET day.

School will be closed to all children.

BLACK HISTORY MONTH

As we embrace Black History Month this October, it's vital for our school community to recognise and celebrate the rich contributions of Black individuals throughout history. This month allows our students to learn about influential figures such as Mary Seacole, Nelson Mandela, and Rosa Parks, whose legacies have shaped the world. By exploring their achievements and the challenges they overcame, we foster empathy, understanding, and respect among our pupils. Engaging with this important history not only enriches our curriculum but also promotes inclusivity and diversity, preparing our students to thrive in a multicultural society.

This week, our students in Years 2, 3, and 4 participated in an engaging virtual author workshop. They had the wonderful opportunity to hear about Hamza Yassin's new book, "Hamza's Wild World". The children learned what inspired him to become an author and how he generates ideas for his captivating stories. It was an inspiring experience for all!

FOUNDATION

We also had the privilege of hosting workshops for Years 4, 5, and 6, delivered by Chelsea Football Club. These sessions aimed to enhance education and awareness of the significance of Black History Month. Students engaged in discussions celebrating and recognising the remarkable achievements and contributions of Black individuals within and beyond the sporting arena. The workshops also focused on promoting diversity and inclusion, fostering a deeper sense of equality and understanding.

Wednesday Word

The Wednesday word this week is OPENNESS

“Let’s try to be open to God’s word, and open the Lord’s surprises when he speaks to us”
Pope Francis
