PE

Cricket
 Learning the basics of cricket, throwing and hitting, basic rules. French cricket

Computing

In Year 6, students will learn about using spreadsheets to plan events and analyse data. They'll create charts and use Google Sheets and Google Forms to answer questions and evaluate their results. This unit will help them develop important skills for organising data and making informed decisions.

Italian

Telling the time: hours and minute
 Television broadcast
 Describe yourself and people
 The Italian geography
 To know some of the main nationalities
 Houses around the World
 Italian famous authors and inventor

PSHE- Unit 4 Keeping Safe

Keeping Safe considers safety in the real world beginning with the four types of abuse: sexual, physical, emotional and neglect. Children will learn how to spot each type of abuse and who they can go to for help. Children will also learn more about practices against British law and how forced marriage is not compatible with God's plan for marriage.
