This week's Wednesday Word is
GOD'S KINGDOM

'The Kingdom is hidden within you; it is found in your soul'
St Isaac of Nineveh

Dear parents/carers,

This week we would like to celebrate Deacon Michael. This week marked the 20th anniversary of Deacon Michael's ordination. For those who don't know, Deacon Michael is a great supporter of St Mary's.

He joins us every Tuesday morning for class prayer and will visit classes to help enhance our RE curriculum eg enacting a baptism in year 1. He is also a longstanding and supportive school governor and welcomes us to the Parish for Mass on a number of occasions across the year. He makes an effort to come and wish us well before each holiday and always comes to say goodbye to our year 6's as they move on (plus attending their year 6 production). He is an integral part of our St Mary's family and we want to thank him for all he does for us and to congratulate him during this special week.

Our Mission Statement

'A man took a grain of mustard seed and sowed it in his field. Indeed the seed is smaller than all other seeds but when it is grown, it is greater than the herbs, and becomes a tree, so that the birds of the air come and lodge in its branches'

Matthew 13.31

June

June is dedicated to the Sacred Heart of Jesus, offering an opportunity to reflect on the love and mercy of Jesus Christ, shown through His death and Resurrection.

This focus connects with the themed series 'Amazing Mysteries', which begins this month with an exploration of two key solemnities: 'The Most Holy Trinity' and 'The Most Holy Body and Blood of Jesus' (Corpus Christi). These assemblies help children to understand more about who God is and how Jesus continues to be present with us. This newsletter shares some of the content children will experience in school throughout June, and suggests ways for you to engage with them about it. We hope it is a useful resource for your family prayer time.

ADHD Ambassadors

We are pleased to introduce our ADHD Ambassadors; Miss Gilbride, Miss Hunt and Mrs Galvis, members of staff who support the development of ADHD awareness and inclusive practice across the school.

They work with staff and parents to share strategies and help ensure that pupils with ADHD or who are on the pathway to being assessed feel understood and supported in their learning. If you have any questions about ADHD support in school, or would like advice or guidance, please feel free to contact the school office or email senco@st-marys-pri.wandsworth.sch.uk and we will be happy to put you in touch with one of our ADHD Ambassadors.
