This week's Wednesday Word is  
**COMPANION**

'You have made us for yourself, O Lord, and our hearts are restless until they rest in you'  
St Augustine of Hippo

Dear parents and carers,

As we approach the final two weeks of the academic year, we would like to share some important updates about our staffing for September.

We will be bidding farewell to Mr Shoubber, who has been a part of St Mary's for nine years. He joined us as a specialist maths teacher and last year took on his first class-teacher role. His passion for maths has been felt across the school—through his drive behind Mathletics and TT Rockstars and the 144 club, and his commitment to helping pupils grow in confidence in maths. He has also led a chess club that has been enjoyed by many pupils past and present. We wish him every success as he embarks on exciting new challenges ahead.

We are also sad to say goodbye to Miss Hillier, who has been with us for two years and is now heading back home to Australia. She has effectively led computing across the school, taught Year 3 for two years, and supported pupils with unfaltering care and dedication. We wish her well with the next stage of her life back home in Australia.

Finally, we would like to thank Mr Wickham, who has supported pupils in Year 6 and across the school. We wish him well as he continues his teaching career in Japan.

We look forward to welcoming Miss Ni Neill and Miss Bebas to year 2 and 3 and are sure you will make them welcome too.

Please see the table on the right for information on class teachers for the upcoming academic year.

## ***Our Mission Statement***

*'A man took a grain of mustard seed and sowed it in his field. Indeed the seed is smaller than all other seeds but when it is grown, it is greater than the herbs, and becomes a tree, so that the birds of the air come and lodge in its branches'*

*Matthew 13.31*
